“ I remember wayne fondly from Years ago. He was my 1st boyfriend, we would talk on phone often with my dad yelling ar me ROMEO is on the phone.. Lol
Wayne had this old red station wagon, and i remember one time he came to ask my dad if i could go ride with him al the time he is talking to my dad he is drinking a 40 oz and talking to my dad about this girl he thought he got pregnant. Needless to say my dad never let me leave with him. Haha.
So he would come visit or my brother would bring me pick him up on railroad rd.
Years later, actualy months ago we reconnected as friends on fb.
He came visit me in my camper and showed me pics and talked so much about his daughter.. He would talk with his eyes glowing.
He told me that she was the best part of his life. He would say.. She is beautiful..i made that beautiful girl. He. Would laugh n cut up.. Being Wayne.. But there was no doubt of his love and pride of his daughter.
My deepest condolences to the family.
