

Wilda Melancon Gary

August 23, 1930 - May 28, 2020

Wilda "Tee" Melancon Gary

It is with heavy hearts that we announce the passing of our sweet and loving, Wilda "Tee" Melancon Gary, who passed away with her family at her side on Thursday, May 28th in Abbeville, Louisiana.

Wilda was born on August 23th, 1930 in Pecan Island, Louisiana and was a lifelong resident of Vermilion parish. She was first and foremost a loving mother, sister and friend. She was among the hardest of workers; from picking cotton in her youth, to a career of cooking and serving the public at Abbeville General Hospital. Over the many years that she worked there, she helped develop recipes that are still in use today. She was a friend to everyone she met and cared for others more than herself. Wilda enjoyed listening to jokes, she had a very infectious laugh. Another favorite thing of hers to do was reminisce about, "the good old days". She will be dearly missed, and in our hearts forever.

She is survived by her son, Freddie Gary, Jr.; daughters, Betty Farmer and Connie Connor; grandchildren, Norris "Bam" Miguez Jr., Dodie Albert, Brandon Farmer, Jeramie Gary, and Angela Connor; great grandchildren, Drea Darby, Demi Boudreaux, Dawson Albert, Kayla Gary, Kaden Gary, John Stoute, Kinley Farmer, Gage Farmer; Great Great Grandchildren; sisters, Joyce "Henny" McClellan, Melba "TT" Adams, Geraldine "Dean" Frederick, Genell "Poogie" West.

She was preceded in death by her parents, Lionel "Sambo" Melancon and Effie Broussard Melancon; Loving Husband, Freddie Gary, Sr. ;Daughters, Deana Rose Gary and Ellen "T-Poon" Gayle Gary; Grandson, Joshua Connor; Brothers, Minus "Bud" Melancon and Whitney "Sonny" Melancon; Sisters, Hazel Griffin, Velta Babineaux, Rosalie " Pap" Vincent and Lois "Goose" Campisi.

The family wishes to give a special thanks to all of the people who called and visited with her each day; and also, to Bam and the many medical caregivers for taking such

wonderful care of her.

Dear mom may you rest in peace and may our sweet Lord take care of you the way you took care of so many for so long here on earth. Your pain is now gone and our memories of you forever, we love you mom.

“ This is Larry DuBois, son of Evelyn DuBois. When my mother was yet alive on this earth I heard her conversing, laughing and talking about the old times on the phone with her cousin Wilda that she loved so much! After my mom passed Wilda and I started sharing birthday cards and she would write me letters about things that I didn't know about that was shared between her and my mother. Deep thoughts and prayers for your great loss. God be with you mightily!

“ My family and I extend our sincere condolences to the family of Ms. Wilda Melancon Gary.
My brother Larry and I are the children of Ms. Evelyn Dyson DuBois. I remember Ms. Velda and my mother use to have long talks on the telephone. I remember as a child visiting Abbeville and visiting with her. Ms. Wilda and my mother Evelyn shared the same birth month of August and the same year only separated by 8 days. I can only imagine my mom waiting for her at the gates of Heaven to welcome her home. Now they can resume their long talks and it will be for all of eternity! I know Gary family that your heart is heavy, and that you will miss this wonderful woman, but know that we will see her again one day!
And now she is forever without pain and sickness. My thoughts and prayers are with you and yours during this time of sorrow and loss. May God ever keep you in his arms.

Sincerely.
Janice DuBois McGraw

“ Little maw maw.... I could NEVER put into words how amazing you were. Your personality, your morals, your habits, etc ..molded me into the woman I am today. The one person who has seen me cry from skinned knees to heartbreaks. You know my entire life and you have been there guiding the way since the very beginning. You loved me with all of my pathetic flaws, and built me up even when it seemed like everything in life was tearing me down. You've watched me grow and learn from my mistakes and I always knew you were on my side. Thank you for your random acts of kindness and unconditional love. You were so strong and you proved everyone wrong so many times. That fire you had was undeniable and I can only hope to be half the woman you were. I'll miss calling you and asking you how to cook something and you laugh and say I'm not sure I never measured. I'll miss calling you or going see you and the first thing I hear is hey sweet. Maw I thank God he gave me you as a grandmother. I will never not brag about you and I will NEVER let your memory die because you were a light and a beautiful person that people aim to be but it just was natural for you. I could spend all day bragging about you but you already know how I feel about you. May you rest in peace and I know you are happy where you are now... with our Lord and savior. I get comfort knowing you are happy and free from all the pain. I'll love you forever maw.
