“ Allen, thank you for all the fun we had growing up in Onion Creek together. The motorcycle adventures (including the crashes), skipping school, hunting, and hanging out.

I speak words sincere condolence over your family members. Please thank your amazing mom, Terry, for caring enough to invite me over for dinner now and then.

To Russ and Doug: If you read this I pray all is well with you.

“ *Looking at photographs*

Every time I do, it makes me laugh you always had a big smile on your face.... but they also make me cry... You were always in my heart even though we were no longer together... I tried to stay I really did

*I have so many memories some good and some bad
It's hard to say goodbye*

Lyrics from your favorite artists

*Every memory of walking out the front door
I found the photo of the you that I was looking for
It's hard to say it, time to say it
Goodbye, goodbye*
