“ Happy Birthday Andy!!

I miss you so much. I know you're in a better place and I'm happy for that. You would be celebrating your two birthdays, one on the 4th. and the other on the 5th. 🙄😭!!

*Love you,

“ Dear Andy,

I'm sorry to see you go but I know you're out of pain and finally at peace. We all grew up together, you and Jerry (same ages) and Debbie and I (same ages). You were truly a survivor that handled all that life gave you a long the way. You never gave up, dusted your self off and kept going.

Your heart was big and you gave the ones you loved your all. I will cherish our time in Hernando, you, Debbie and me. Watching movies, sharing memories, laughs and ordering our food in was the best! You said, there is a lot of love between us in this room very true!!

Thanks for driving Debbie there and for taking care of her before she passed. With your help along with Mikey, Davey, Cherie, Mike and myself we gave Debbie the best care possible.

I'm glad you're got to see your son Chris from S.C. before you passed. Also, many thanks for all that helped you out before you passed.

We love you and miss you, Rest In Peace.

Renee and Andi.
