Abbeville -

Anthony Lee Campisi

November 13, 1970 – February 20, 2022

Tony was born on November 13, 1970 to Joe and Lois Campisi in Abbeville, LA. He is preceded in death by his parents. He is survived by his brother Kevin and sister-in-law Katie.

Tony spent most of his life working in computer support. Helping and supporting others was something that he carried thru all parts of his life. Many of us could tell stories of his gifts of generosity with words and actions. This became even more so once he learned about Jehovah God.

Tony was baptized as one of Jehovah's Witnesses on July 24, 2011 in Lake Charles, LA. He enjoyed making himself available to assist in Jehovah's service, helping with baptisms and the setup of assemblies and conventions. Even during the pandemic, he helped so many friends get setup on Zoom and then he made sure that they also sounded and looked good. He was always available and ready to help.

Tony also enjoyed connecting with old friends and making new ones all over the world using CBs, Ham radio and even Zoom.

The family would like to thank everyone in the Abbeville Congregation of Jehovah's Witnesses for their love and support. Thanks also goes to St. Joseph's Hospice for taking such good care of him down to the end, especially Nurse Mary Couvillion. Thank you for all you did for him.

Revelation 21:3,4 brings us such great comfort knowing that he will live again when all is made new by God's Kingdom where death will be no more.

When we attended High School, at Abbeville High, he was always quick to try and help someone feel better. Our clique of friends was much better, for his presence. Even though we lost track of each other, after graduation, it was always a hearty hello and a big smile, when we happened to cross paths, in the intervening years. I will forever remember him, as a stand up, happy guy, who was always ready to laugh.

See you when my chores are through, here on Earth, my friend.
