Tribute Wall

“ *My nanny was one of the hardest working people I knew and always so kind to me. I recall in my early teens how she pushed me more in educating myself and getting good grades in school so that I didn't have to work so hard as her in my later life. She will be missed.* ”

“ *Every time I met up with Audrey she always treated me with love and respect as i did with her. She always worked so very hard and probably lived a very hard life. Audrey I hope you are flying with the Angels today. You deserve to be sitting in the clouds. Wesley and I said many prayers for you today.* ”
