Roux (Blake) was an energetic cook, proud, and a true friend to everyone. He was like a great loaf of bread.
Crusty but soft on the inside.

His stories were mixed with smiles and wisdom. I will miss his cooking and remember him feeding anyone he could, and always giving to all.

I envy those that receive his beloved gumbo pot and other treasured cooking utensils. They hold a million memories.

God rest, and bless those that mourn him.
