“ I send my prayers and sympathy to all who mourn Brad's loss. This is such a tragedy. I knew Brad through my youngest son and I taught him in both Sophomore and Senior honors English. He was always polite and very dedicated to his grades. May he rest in peace.

“ This guy was a big inspiration! Every day I'd pass on Lake Martin Road (Prairie Hwy), he would be walking. He would never walk on the road, he was always walking on the side of the road! I will miss driving by and seeing him! I will definitely think about him every time I pass there! Sending lots of prayers to his family!

“ Brad was my favorite cousin. He was always nice to my sister and I. I remember when we use to go to Uncle Glenn and Aunt Linda's house and he let us in his room and play his Sega Genesis and on his computer, sit on his waterbed. He went to Tennessee with us for vacation and we were in the creep and he was yelling at Dustin to grab the stick. Brad was the one who noticed I was missing at Dollywood and ask Nanny where is Sheena? After I had my heart surgery when I was little, he didn't want me to play because he didn't want me to get hurt. The time he was dressed up as Beetlejuice. I missed him. I love you all, love Sheena

I remember when I was in kindergarten I was wearing a hat and my big glasses and Brad called Adrian from Rocky. Brad was willing to get after school detention to stay with me when I was in the first grade. I kicked him down the hallway of Aunt Linda house because he said I couldn't do it. He was a very good Beetlejuice and always nice to me we played Sega, Nintendo and computer with him. I will miss him deeply and I love you all.
