

## Brian Paul Broussard

January 2, 1964 - September 7, 2024

Abbeville -

A celebration of life will be held at a later date for Brian Paul Broussard, age 60, of Abbeville, Louisiana who went home to be with the Lord on Saturday, September 7, 2024.

Brian was born on January 2, 1964, to Eddie and Madeleine Broussard. He was born and raised in Abbeville, Louisiana, and graduated from Abbeville High School in 1982. After graduation, Brian attended Lafayette Regional Technical Institute, where he earned a certification in sheet metal mechanics. He was employed in and around Lafayette and Abbeville, devoting 32 years to PHI in Lafayette. Brian was always willing to lend a helping hand to those in need and he didn't shy away from hard work. There wasn't a task too big or small that he wouldn't attempt to accomplish. He was a gun enthusiast and often shared his vast knowledge of guns, their history and mechanics, and enjoyed spending time at the gun range. He had a passion for military history and loved watching documentaries, movies and the history channel. He was able to give great detail about the make, model and size of military helicopters, weaponry, vehicles and so much more. Brian enjoyed the outdoors and always showed much pride and appreciation for freshly cut yards. He took great delight in homecooked Cajun cuisine and would often reminisce about delicious dishes cooked during his childhood. Above all, he

loved spending time with family and friends and was affectionately known by many as “B”, “Papa B” or just “BP”. Brian will be dearly missed by his family and those who knew and loved him.

Brian is survived by his wife, Kimberly Renee Broussard; his daughter Hannah Broussard Stanton and her husband Austin; his son Shaun Lancon and his wife Darcy and their daughter Caelin; his son Philip Lancon and his wife Mia and their children Elijah, Cyrus and Daisy; his father, Eddie John Broussard; his siblings, Jeanine Broussard Matte; Stephen Wayne Broussard and his wife Mitzi; and Michelle Broussard Hanes and her husband Steven. “ Brian was a very good man. I have known him for about 25 or so years. I worked with him at PHI Completion Center and the old hanger and the new hanger. We went to see Garth Brooks in concert in Baton Rouge when Garth was just getting big, had a blast. We also went out on the weekend sometimes with friends. I just found out he passed. I will always miss him and I will never forget him my friend. I am Todd Miller I worked in heavy ship. Take care Kim, I know you will miss him terribly. Can't be replaced.

*I am truly heartbroken to learn that Brian has left us! We've been friends since preschool age, when his parents would come to buy eggs from my grandmother next door to us. We remained close though out high school and beyond until life took us in different directions. My heart goes out to his family and all of his loved ones. As we know, you guys have lost someone very very special. Rest in peace dear Brian. You were one for the ages and will always hold a special place in my heart. Karen Griffin Anderson*
