“ We send all the family of Brian our sincere prayers. We have known him from birth until he moved away from the Forest, OH area. Our children and the Wilkerson children were of the same ages , going to the same church, church camp, school and many New Year's Eves together. We are so sad to learn of his passing. May God strengthen you all as you make life adjustments. Ron and Ruth Oates

“ My dearest son, Brian, and Ray, Heather and those who loved you well. I want you all to know there was just never enough time on earth, so treat each with kindness and respect. You never know when your last time is to tell someone you love them. Brian was that kind of person. So giving of himself. He always put others first before himself, freely giving love, hugs and support to anyone in need. He saw the good in the the used up old chair or an old cat living on the streets. He would fix it up to make it all new again, or find an old sick cat living on the streets food and shelter until its final days. Most of all he loved his son and his family and with great pride and thankfulness for the way he raised to be and he expressed that every time I would see him. I will miss you son, and your wonderful smile and laughter, until the day we are reunited again in the house the Lord prepared for us in heaven. TO God be all the the glory. Love, your dad💕

It is with great sadness that we heard of Brian's passing. He was such a gentle soul, always willing to help those in need. I remember well the last couple times he came to help me when I reached out to him. I was always amazed at his knowledge about so many things. I much enjoyed eating lunch with him when he came over to help and especially the contagious outlook he had - very positive and always willing to see the light. Condolences to his family and friends. He will be missed by many. RIP our friend! Aubrey & Iris Milligan
