“ I am deeply saddened by the loss of my friend. Cabot was a sweet and generous soul. He would wear his bib overalls and make me laugh... what a sad time this is, for he never realized how good he truly was.. ..R.I.P. MY FRIEND UNTIL I SEE YOU AGAIN.....

“ I will always remember Cabot as a tender hearted man. He was always kind and respectful to my children and to me. The last time I saw him was when his beautiful daughter was having her baby. His face radiated such joy as he waited outside the door to meet his grandchild. My condolences and prayers for those who are mourning. - Karen B.

“ Remembering Cabbot as a child. He was mischievous in a good way but was sweet, kind and respectful I remembered his Dad standing and looking and looking at Cabbot with a smile on his face shaking his head unbelieving what he had done or said but there was amusement in his look. My sincere condolences to his family.
