*Oh my beautiful aunt Carmen you were a blessing to this world. I never imagined this coming just never even came to mind. Growing up you were so much fun you always allowed all of us kids a place we all hung out with you. You have always been the best aunt without a doubt in my mind I could pick up the phone and call you at anytime and you would find a way to help me with whatever. The only ease in my mind is knowing you will be with Cody & the love of your life. Tell Unc bj & Cody I love and miss them. Tell my daddy we love him & for you I promise you will never be forgotten aunt Carmen I love you sooo much can't wait to see you again one day you are already missed😭*
