February 14, 1947 - November 12, 2024

New Iberia -

Carolyn Babin Albert, age 77, passed away peacefully on Tuesday, November 12, 2024, in New Iberia.

Carolyn was born on February 14, 1947, in Avery Island and she was a lifelong resident of New Iberia. Carolyn had an infectious smile that lit up every room. She never met a stranger. She was known to have a big heart for anyone in need, whether it was a hot meal, a warm bed, or just a tight hug, she knew how to make everyone feel welcomed and special. She had the best fashion sense; she loved to craft, sew, paint, draw, and make things beautiful. You could always find her in bedazzled cheetah print. Her favorite pastime was spending time with her grandkids. They were her greatest joy. She spent her life driving a special needs school bus for Iberia Parish School Board, that gave her lots of joy. Carolyn will be dearly missed.

She is survived by her loving husband of 15 years, John Carroll Albert, Sr.; her children, Cheryl Lynn Miguez Boutte (Chad), Crystal Miguez, and Charlotte Alleman Walden (Cody); her grandchildren, Kelsi Flores, Krislyn Flores, Kyleigh Dupuy, Nathan Dorsey, Noah Dorsey, Nicholas Alleman, Landon Walden, and Riley Walden; her sibling, Armine Steele; as well as Desiree Delcambre, Rachael Broussard, Remi Randazzo, Angela Nelson, and

numerous great nieces and nephews.

She was preceded in death by her parents, Olive Martin and Dewey Babin; her son, Lloyd LeBlanc; as well as Carson Broussard, Benjamin Nelson, and Willis Flores

Arrangements have been entrusted to Cypress Funeral Home & Crematory, 206 W. Lafayette St., Maurice, LA 70555.

“ When my younger sister died, she came to the house that morning with Nanny Armine. She had gotten a radiation treatment that morning. We were standing in the bathroom when we asked to see her chest after treatment. She picked up her shirt and there was a grid across her chest. I'll never forget how she was there for us when she was going through so much herself. I'm crying now remembering how touched I was. RIP
