“ *Chad was a "different" kind of man.. The kind they don't make anymore. One of the good ol'cowboys. Always a gentleman, always tried to do what was rite. My world is a darker colder world without him. Till we meet again in the stars, my love is forever yours.*

I loved and adored Chad Boy. I loved him so much that i asked him to be my baby girl Jett Alison's godfather, and was honored when he accepted. Like our family, our love is our bond. We are thick as thieves and we will forever cherish that bond. I have nothing but good memories of Chad Boy and am now going to love my new angel...
