

Charles "Chuck" Thomas Jeffcoat

November 16, 1956 - July 22, 2022

Baton Rouge -

Charles "Chuck" Thomas Jeffcoat, age 65, who passed away July 22, 2022, in Baton Rouge, LA.

Chuck was born on November 16, 1956, in Columbia, SC and he was a longtime resident of East Baton Rouge Parish.

Everyone knew when Chuck was nearby because of the sound of his unmistakable deep voice and infectious laugh. If you happened to give him any chance to playfully joke with you, he would not stop until everyone was laughing, including yourself. Chuck also never forgot a good time and loved to repeat those stories. He never complained and never wanted to be a burden to anyone even when he was experiencing very difficult circumstances. That's just the type of man he was and he will truly be missed.

Chuck loved doting on his daughter and grandchildren all of the time. He did not need a special occasion to spoil those that he loved. If he could have given us the world he would have. Chuck was a maintenance supervisor most of his employed life and was very knowledgeable in his craft. He was generous with his maintenance experience and helped those he loved when he was needed.

Wherever he went he would contribute to providing the food or cooking and also beautiful and delicious cakes to add to the festivities. He also enjoyed eating out with friends and family, especially at Waffle House, but he had a few favorite spots he enjoyed going to often. Chuck was a very patriotic man so Independence Day celebrations would include generous amounts of fireworks.

Chuck's family includes a small few of his dearly beloved relatives, but we all know that if you are Chuck's friend, then he held you and yours dearly close to his heart as his family also. Those that he loved made his life full.

Chuck is survived by his daughter, Jena Jeffcoat; his son-in-law, Chris Hebert; his grandchildren, Paighton, Eli, Ethan, and Casen; along with a host of dear friends.

He was preceded in death by his parents, Thomas and Barbara Jeffcoat as well as many other dearly beloved family and friends that will welcome him home.

A Memorial Service will be announced at a later date.

In Our Hearts

We thought of you today.

But that is nothing new.

We thought about you yesterday.

and days before that too.

We think of you in silence.

We often speak your name.

Now all we have are memories.

and your picture in a frame.

Your memory is our keepsake.

With which we'll never part.

God has you in his keeping.

We have you in our heart.

“ *Another year but my heart still aches like it was yesterday. What I wouldn't give just to hug and speak to you one more time. It's been difficult not having you here and your emotional support during the challenging times throughout the past years. I appreciate and miss that more than ever. Miss you and love you so much Dad.*

“ One year today and it’s been a tough one without you. How I miss you so much and think about you all of the time! I miss your voice, your jokes, I miss talking to you everyday and your visits. I wish things could be different and that you would be living your days retired and relaxing and with all of us. We all miss you so much.

Breaks my heart Ashley reading this. I miss him so much too. You and dad have so much history and memories together, a lifetime! I can just about imagine the fun memories you both shared! You were such a good friend to him, no matter what. Call me anytime, I'm a phone call away. Love you!

By the way I'd love to see those pictures to remember and to just look at. I remember dad bringing me to your house and playing ping pong and eating. The memories when I was young are harder to remember. I know he loved you very much. If he called you when I was around he always made sure to tell you and we'd say hi to each other. Anytime you need to talk or just to chat, please call me.
