“ I am deeply saddened by the loss of a great man. I will hold dearly in my heart all of my childhood memories of your Dad. It wasn't until I got to high school that I figured out his teeth really didn't come from TG&Y.. he always had a trick to play. I pray that God wraps His arms around all of you during this difficult time.

“ Charlie was kind and loving soul. A gentle man routed in truth. He said things that needed to be said, but only when they were heard. He loved his wife, his children, grandchildren, and great grandchildren more than most can. Although brokenhearted with the loss of his dear wife, Elaine, he chose to live on helping others when he could. The Good Lord put Charlie on earth as an example of how to live and love. He was my friend. I will miss him.
