“Crystal changed my attitude towards children, I never wanted any didn't even want to be around them. Father God used her to open my eyes, heart and mind about children. She gave me this heart before we all parted way. I always had a place in my heart for this whole family.

“When Crystal was a little girl living next door she knocked on my door and announced “Today is my birthday!” She did this several years in a row and each time I gave her one of my crystals to honor her pretty name. Her eyes sparkled and her smile made me smile.
