August 8, 1984 - May 6, 2024

Maurice -

Crystal Anne Truttier, age 39, passed away peacefully on Monday, May 6, 2024, in Maurice.

Crystal Anne Truttier was born on August 8, 1984, in Lafayette and she was a longtime resident of Maurice. She spent many of her years sharing her loving heart with family, friends, and animals. Crystal donated her time volunteering at Lafayette animal aid as well as making friends with the strays in her neighborhood. After that, she expanded her love in to the veterinary field where she worked at Elston Animal Hospital and Carson Veterinary Clinic creating bonds with patients and clients for years. Sadly, her adventures were slowed down when she was diagnosed with Huntington's disease. Through Crystal's final years this Huntington's warrior's heart never changed, always there with hugs, love, and a smile. She is blessed to be guided by all her furry friends over the Rainbow Bridge where her daddy, Weeks H. Campbell will be waiting for her to take her crabbing like she did in her younger years. Crystal's Parrain will be waiting to show her a full moon, and Pop pop and MaMere will have open arms waiting to catch up. She will not be alone. After Crystal, leaves her mother, Margaret L. Campbell, sister, Elizabeth A. Truttier, her adopted brother, Lance D. Arceneaux, nephew, William Jude Arceneaux, as well as many friends and family will still be here continue to share her stories

and love.

The family wishes to offer a heartfelt thank you to her hospice nurses, Isabelle Dubois, Lindsey LeBlanc, Mallory Guillotte, and Margarita Desser; as well as her certified nursing assistants, Vivan, Semika, and Scarlett for the care and compassion they offered Crystal Anne Truttier and her family during their time of need.

Arrangements have been entrusted to Cypress Funeral Home & Crematory, 206 W. Lafayette St., Maurice, LA 70555.

“ *Crystal lived in my neighborhood when we were young and she was a big animal advocate from very young. They were a fun and friendly family. I remember she enjoyed making coke slushies and watching Law and order on Fridays and always made a slushie for me and her sister Liz.*

“ *Crystal and I used to be real close friends, and as sometimes happens, we had a falling out. I know I'm late in posting this but I just found out today of her passing. I'm so sorry for her family and loved ones. Looking back we had some good times that I still hold dear even though it's been years since we spoke. My prayers and most sincere condolences to her mom and sister. R.I.P. Crystal.*

“ *She was always laughing, always smiling. What I remember most was her love of four leaf clover hunting. That's what she did with many of her breaks at work. She was good at finding them too. I still have a clover from her that was sealed into a bookmark. I'm so, so sorry for your loss of such a sweet person.*

“ *I best remember Crystal laughing and loving every dog, cat and person that came to the house. Her love was Rufus, but LA, Goose and the rest never missed a scratch or hug from her. Her heart was full of love and life for all.*
