“ I can't come close to remembering how many good memories of me and Dale fishing, frogging, and trawling over the years. The best one was when we laid on the floor of his skiff in the basin watching the Hale-Bop comet in '97. It looked like it filled the sky. That was a once in a lifetime experience.

Sorry to hear this. Any loss is sad. I remember Dale in high school. Although we were not chummy as friends, he always, always had a smile and something to say when we met. So sorry for your loss.
