Daniel was born on April 11, 1958 in Palo Alto, CA. He was a long-time resident of Abbeville. Daniel was an accomplished US Merchant Marine for 42 years. He began his career as a wiper in 1975 at the age of 17 and through hard work and dedication he achieved his goal of Chief Engineer Unlimited. He was highly regarded in his field and helped many others find success climbing the ranks. Through his work, he was able to extensively travel the world; he visited every continent and countless countries. He was a hardworking father, doing his very best to support his family at the high cost of being away from them for periods of time.

When he was home, his hobbies included building and racing go-karts with friends, tinkering on cars and motorcycles, and watching his beloved San Francisco 49ers. He was the most generous and helpful person. Often fixing appliances, cars, or motorcycles for friends, family, and neighbors. He never

met a stranger. He was loud, funny, outgoing and passionate about his beliefs. He had the best laugh and the biggest hugs. He loved anytime spent with his family. He has left us far too soon and will be missed by everyone who's had the good fortune to know him.

He is survived by his children, Brittany Mergist (Nicholas), Marcy McNulty (Jacob Laird), Lainey McNulty-Kamp (Frank), Brook Stelly (Marcus), and Cory Songne; his grandchildren, Scarlet Mergist, Eleanor Mergist, Arlo McNulty, Emma Stelly, Eli Stelly, and Logan Songne; and his siblings, Kathleen Tuccio, Gerald McNulty, and Kenneth McNulty.
