“ Hi Dave. I know you're enjoying God's garden in heaven. It's now fall season and the leaves have turned beautiful amber brown. You love fall season too. Especially the foliage. Keep watch over us 🙏

“ One of the many great memories with Dave was on his birthday. We bought him his favorite cake and Thai food. And we played some of his favorite songs. He was so happy. He then fell asleep on his recliner. so contented. It was a blessing to have been able to take good care of him. Thank you Laura, Ann and Ailen for helping Dave and loving him too. Rest in Paradise our dear David 🙏😊.

This is when he was young. Right after graduating at Cornell University. He was a genius.

“ Our most recent wonderful memories 2 years ago when I placed him in his beautiful apartment and 3 of my other friends came to help out but I bought lots of Thai Food (his favorite) and some wine. And he thoroughly enjoyed the meal and some wine. For the first time in a long time, he was so happy. He was busy taking pix of us. We put together all his bedroom, hung curtains, his bathroom. He felt home. We were all blessed, including my husband to have helped him. Continue enjoying and listening to your music in Heaven Dave. And watch over us. 🙏🙏🙏
