“ Before we were a couple, getting ready to eat grilled corn at a Flee market and as I started sprinkling seasoning on the corn, it was windy and it blew in to your eyes. Vickie

“ I was fortunate to work with David (Tiger) for over 25 years in the 700 block at BASF. David worked hard, was the first to learn Anone 1 when the two Units (Anone 1 and Capro 1) were consolidated. I also spent time with David fishing. He was a good friend and will be surely missed.
