“ Debra Beaulieu is my mother I love her and miss her so very much. Everyday I cry wish I could see and talk to her. She was the only one I could talk to about anything and everything. Since January 2 2026 my life has not been the same. I feel as though I'm losing everything. I feel like my walls are falling down. I pray to the Lord to help me through all this. It has been 4 months since my mother passed I still can't believe she is gone. Lord please help me through this before I fully fall. I love you mother and I miss you. I can't wait till the day I can see you again.

“ I was Debra Beaulieu's husband, James. We had a wonderful life together, not always happy, of course. We had our moments. She stuck by me no matter what I said or did. We were married in Horseheads, NY on March 22, 1981. We had 3 daughters, Desiree, Amanda, and Jolene. I loved her because God gave me love. I always had a love for her but it was not as good as it should have been. Two and a half years ago she was ready to give and leave me, but I was a man of God, but I had my ups and downs and sometimes caught my flesh trying to wake up my old self. We were in Morgantown, WV at that time. She was in a psych ward for thoughts of suicide. I was in the streets. Where she was you had to have a password to talk to the person. I did not have it. Then one I got down on my knees and asked for God's. I asked to restore my family to me, starting with Deb and then bring back everyone to me. Then, at that moment God showed me and brought forth His love in me. I loved everyone more than ever, especially Deb. Two days later I was given the number to call her. The Love of God, at that moment restored my wife to me. We had been together ever since then until died on Jan 2, 2026. Then my family was also restored. We moved to Louisiana in June 2024 in Abbeville. In August 2025 I started buying a trailer in New Iberis, Louisiana where we lived together until she died. I loved and I miss her. I still love and miss her and always will. I celebrated our anniversary on March 22, 2026. We were married for 45 years that day. I plan to celebrate her birthday on April 30, 2026. She would have been 69 years old. I still cry over her no longer being here, but i will see her again in heaven. We were saved by grace through faith. Salvation is by grace alone through faith alone, through Jesus alone not of works lest any man should boast. She loved me even when I did not show her love. It was because of her that my life came to total love through Jesus Christ. My flesh still tries to come back. I am not perfect. I am still a sinner saved by grace. I will always have my sin nature until God calls me home whether through Death or the Rapture, whichever comes first. I LOVE AND MISS YOU MY BEAUTIFUL, GORGEOUS WIFE.
