“ We have beautiful memories of Dianne! Steve and Fred grew up together in Abbeville. He met Dianne when she and Fred dated. I met Dianne and Fred after Steve and I married. We immediately became friends. We were always at their home in Houma. Enjoying their family and eating great food. Once they moved to Broussard our friendship grew. We loved family and plants ! Then our dear friends moved to Milton just a street away! We enjoyed laying carpet in their new home. Our children swam in their pool. Dianne and I shared many bike rides along the back roads when traffic wasn't a concern. We once visited a nursery in early February wanting to start planting! We were told we were way too early and to come back in March! We laughed at ourselves! But be sure we were back at the nursery in March! Dianne is the godmother of our daughter, Stephanie! Fred and Dianne became my godparents when I converted to our Catholic faith! Who else could it be? I am afraid once they moved to Lafayette and our families became busy with life, the frequent visits faded. There were times when we saw each other, shared our families news and reminisced our times together! Our last visit was the Wednesday before our Lord took Dianne into his loving arms! She smiled at the memories I shared and looked at the white orchid we brought. I wanted her to gaze and remember the precious memories we shared. Dianne was a beautiful woman inside and out! She always had a warm smile and a twinkle in her eye! She loved Fred dearly! Her family was her purpose in life! Steve and I will miss her dearly! Dianne, dear friend, rest in peace. We will meet again praising and glorifying our Lord!
