“*Esther, please know that you and your children are in my thoughts and prayers during this time and in the future. You and Brent were the perfect pair during high school and beyond. Brent was one of the good ones in school and I cherished his friendship as a classmate. Please reach out if there is anything I can do during this time. Cherish the memories because I know you must have so very many.*”

“ Brent and I graduated from Oakdale High School in 1970. We played football there for four years. Brent was our team’s Quarterback. I was one of his offensive linemen and did my best to protect him on each play. He was a great teammate. Rest in Peace my old friend.
