Maurice -

“Ellie Meaux from Carencro”

Eleanor “Ellie” Deans Meaux was born July 12, ????? (sorry, we were sworn to secrecy) passed away on March 30, 2026. She was born in Fall River, Massachusetts and raised in Providence, Rhode Island. In 1957, she made her way to Louisiana with our father, where she quickly fell in love with the coffee, culture, food and people.

She worked as a Dietary Manager for more than 25 years servicing the local hospitals and nursing homes in the Lafayette area.

At the time of her death, Mom was residing at Pelican Pointe nursing home in Maurice, La. We would like to thank the staff at Pelican Pointe for the love and care they showered her with these past years; it did not go unnoticed.

Mom was welcomed home by her daughter, Marjorie Farrell Krawchuk of Lafayette, Louisiana, her parents E. Marguerite Deans Carroll of Rhode Island and William Deans of Glasgow, Scotland, her sister Catherine Brewton of Florida and her brother William Deans, Jr. of Massachusetts.

She is survived by three children, Samuel Meaux (Marla), Colleen Farrell LeBeouf (Chester), and Anderson Meaux. She is also survived by eight grandchildren, Barry Krawchuk, Chad Krawchuk, Joshua Meaux, Mallory LeBeouf, Morgan LeBeouf Bertrand, Jared Meaux, Connor LeBeouf, and Hannah Meaux, along with several great-grandchildren. She was a wonderful mother and grandmother and will be deeply missed.

She finally made that trip she was always singing about, "On the Road Again." Our hearts are comforted knowing that she has once again been reunited with our sister, Marge. It has been a long journey, but you did it and now the wait is finally over. Have a grand time and rejoice, but.... stay out of trouble! We love you, Mom!

Arrangements have been entrusted to Cypress Funeral Home & Crematory, 206 W. Lafayette St., Maurice, LA 70555.

“ *The Prejean kids were at Miss Ellie’s house often!!! She always made a big pot of spaghetti...yum! I can still remember her laugh when our mama, Barbara, and she would visit at our kitchen table!!! Simple times, special memories. Miss Ellie, you and Barbara show the heaven crew how to laugh without reserve. Love and prayers for Sam, Colleen and Andy as well as their families. Respectfully,*

I remember Ellie from the Dietary Managers Association, she was slowing down when I was getting involved in the group. I remember her, Joyce, the president I cannot think of her name. But I took over a position Ellie had held for some time and she had been very helpful,`
