“ *Emma and I were both dispatchers forever and a day, way back in the day.
Emma Ray is one smart, tough, wicked funny, and a bit sarcastic (in a good way) human being. Her and Darrell were each others yin to the yang. There is no doubt that she will be missed greatly by all who love her and all who have had the privilege of her passing through their lives.*

“ I met Emma while working for the Lafayette City Police Department back in the 70's. Emma was our dispatcher. Emma and I remained friends throughout the years up until her passing. She was an excellent dispatcher, always keeping track of her officers. She was a very kind person. Her friendship will be truly missed. But I know she is at peace. Free from suffering. Rest in peace my dear friend.
