

## Ferall Anthony Venable

March 22, 1970 - July 23, 2022

Scott -

Ferall Anthony Venable, age 52, who passed away on July 23, 2022, at his residence in Scott, LA.

Ferall was born March 22, 1970, was a graduate of Church Point High School's class of 1988 (The Great '88), and worked a successful career in the oil and gas industry. He had a kind, confident, and gentle personality with an infectious laugh. Ferall never met a stranger and had a vast number of friends, whom he thought were his family. He was everyone's best friend and unselfishly gave to anyone he could help. Ferall's famous words were, "If you need anything, just call." He would call his mother nightly, because his love was so big. Losing him will leave a hole in so many lives. A jack of all trades, whether it was dirt work or carpentry, tractors or boats, he knew enough and had the patience to teach you. Ferall's passions changed throughout his life, from playing his accordion, to riding horses and raising his hunting dogs, to guns as well as fishing, he was your true all-around guy.

Ferall is survived by his longtime partner of 13 years, Kreseda Mouton; his parents, Jimmie and Linda Venable; his brothers, Craig Venable and wife, Charlotte and Bradley Venable and his wife, Erica, all of Church Point; and his six nieces and nephews, Trevor Bordelon and Tyler, Taylor, Jude, Hali, and

Kamryn Venable.

He was preceded in death by his grandparents, Remie Venable (Poppop), Beatrice Venable (Mommom), Gerald Prejean (Papae), Olydia Prejean (Mamae); and his cousin, Cody Abshire.

A celebration of life will be planned at a later date.

Cypress Funeral Home & Crematory, 206 W. Lafayette St., Maurice, LA 70555, (337) 740-3123, is in charge of Cremation arrangements.

“ Hey Jimmie . So very sorry about the loss of your son. I remember your boys before they were teenagers. The fishing trips we went on back in the 1980s. Thanks for being an awesome boss back when we were at Pierre Guidry lumber. I bet that old lumber yard still has your whistling echoing through the buildings after all these years . Thank you for trying to teach me to speak French back then . RIP farell
