“ *My foundest memory of Gabe was him telephoning me to ask if I knew someone who had a puppy to give away for a playmate for his little dog that was so sweet he was a good friend to my son Aaron who played in his band he was a outgoing loving person and had a zest for life I was so sad to hear that he wasn't well when he called me he took the time to reach out to people he was so friendly I'm so sad he's gone sadly missed by the world.*
