“ Uncle Gary, in our flesh we weep, but in our spirit we rejoice. I know your relationship with Jesus, and I am beyond thankful to have been able to share that with you, as well as our conversations about Jesus and His love and plan for all of us. I am thankful for our Father God, who made a way for you and me, and all of us, to be completely forgiven of our past and our sins, who no longer sees us as the broken sinful humans we are, but through the eyes of our Savior, Jesus. I am thankful to have shared in conversations about our shared awe of His sacrifice, and I am thankful of every memory made with you throughout my life, yet even more I am thankful that we will all be together again one day in the presence of our Father. I pray for strength and comfort for all who love you and wait to join you; Tina, my mama and Gene, all of our family, and all of your friends, who I am so thankful you were surrounded by, and who will continue to surround and support Tina. I miss you, but I will join you soon, whenever God calls me home. P.S. I know Pa must be happy to know one more made it safely home, adding to the completion of his greatest prayer, that not one of his descendants be left behind but enter into God's glorious presence for eternity.

“ Thanks for considering me like family,when you spoke to a sister from your church that you had a friend sitting with you,but when Gary said that i am more like family that was the best thing i ever heard all my life.Thank god he was a brother i never had.I had more love from him than my own family.
