*Baby brother, I will cherish my fond memories of you and I will miss your special laugh forever. You will always be alive in my heart. It was my honor and privilege to be your big sister for the years we had you with us on this earth. I know your are in a better place basking in the glory of heaven with Jesus and those who have gone before you. May your soul rest in peace and may the Lord's perpetual light shine upon you. I look forward to the day I can join you in heaven. Your "big sis"*
