Janelle and family, it is hard to think of the words to accept that he will not be here to tell a joke, try to provoke you, offer to help whoever needed or had a job he could do. Many of the residents of Kaplan and around the parish will remember him for years to come. Know that our relationship was and is important to me and my family. I will always remember the good food and great company. My prayers are especially for you and your family. I know that all of you are very strong and will with heavy hearts be able to continue. With love to you Janelle 🙏🙏🙏
