“ I am just now learning of the passing of Jude this afternoon June 21st. Had I known of his passing, I would have been at his service. I sold HP Education Technology products to Jude many years ago and had the greatest respect for him. I always enjoyed our meetings at his Vermillion Parish School Board office. He will be missed by all that knew him.

“ Cheryl my love goes out to you and your family. May you have comfort knowing Jude is in the presence of God and is at peace. Jude was such a great guy. Some of my favorite memories was playing mixed doubles with him. He was so kind and patient. God bless you always.

“ Jude was my best friend in the US .Jude taught me about computer at the time of the "apple" and later we shared an office at the Vermilion Parish School Board. Jude was a nice guy, the friend of everybody . We kept in contact after retirement. We met for months once a week before COVID where Jude taught me how to get back in practice with my guitar with an extreme patience as I have difficulties in keeping rhythm. After practicing we would have a meal in a Chinese restaurant . This time with Jude was a light in my week. .Jude was patient and great with everybody, I do not believe that anyone could get in an argument with Jude . Jude was a great teacher and full of talents , music , photography ...with great values that he taught not by telling, but the example of his conduct. We all will dearly miss Jude, our Friend ,my thought and prayers are with Cheryl and Jude family.
