“ Brett, Trey & Deana. With my heart full of pain  and not being there right now, know that I am constantly thinking of you as well as Glenn. I was so thankful I was able to get one last good bye with him on Monday before going out of the country. So many memories- him taking me and a couple of friends on our senior trip to Houston to see the Astros (Glenn was a HUGE Astros fan), playing softball together, me serving as his best man and him serving as my best man, along with all the fun times we had together as couples. It was some of the best times of our lives. Those memories will be forever be etched in me! BTW- Glenn was a great cook! Will definitely miss my good friend Shaggy

“ I'll never forget you Glenn Broussard. You were always there for me. Always had a smile on and so caring. He loved music but hated to get up and dance. I got him up a few times lol. I'm still in shock but I know he made a huge impact to everyone he met. Rest in peace my friend. Love you always!!

“ Always a cutie pie with a nice big smile, I will fondly remember Glenn behind the back Will’s IG “office” counter, down the isle picking out my wedding gift, on the baseball field at the Comeaux Rec. Center in Abbeville, on a horse at a trail ride and always available to answer the call for help with a store item and helping hand needed to fix something broken at momma and daddy’s house. I pray for perpetual light to shine upon Glenn now.

Glenn Ray Broussard was my first cousin. His uncles were Fred, Raymond, and Rod. My mother was his aunt. I grew up with him as one of the town kids in Maurice.
He graduated in 1969 from Maurice High School and was a reserve on the 1969 Class C high school basketball team. His passing signals the end of an era.
I had not seen him much lately, but I mourn his loss.
