“ I dated Jim for 4 years, many years ago when we were in college. Those were 4 wonderful years, going swimming and boating on the Atchafalaya, going to movies every weekend, visiting with his family at their house in Jeanerette. He was a very good, loving and respectful to me. We did see each other a few times in later years. I had visited him in Abbeville. Wish I could have seen him one more time. Wish someone could post his photo.

I feel so bad because for years I took care of him and got his health back. He was a really good man and I wanted to go see him. He helped so many people out . I hope his funeral was what he deserved. My heart breaks wish someone would have reached me.
