Janet Kelly Touchet was born on December 19, 1966 in Abbeville, Louisiana and she was a life long resident of Lafayette. After high school Kelly continued her education with a career in nursing. She worked for many years at Lafayette General Medical Center in the "NICU". Kelly was a natural caretaker and she adored caring for her little patients and those in need. She will be remembered as a beloved daughter, and a cherished "Nanny" to her nieces and nephews. Even in her time away from work Kelly enjoyed giving of herself and her time, she went on mission trips to Mexico to help others who were in need. She had a large outreach of friends from all over the world with who she kept in touch with weekly thru emails and various online platforms. Kelly was also an animal lover. She adored both dogs and cats, and for many years she was known for raising beautiful "Yorkie Puppies". Kelly will be dearly missed by her family and friends. Her memories will be cherished forever.

She was preceded in death by her sister, Nissa Touchet; her brother, Hampton Touchet; as well as her paternal and maternal grandparents.

The family would like to offer a heart felt thank you to "Chief" William "Bill" Spearman of the Abbeville City Police Department for his comforting words and compassion that he provided them on the morning that Kelly passed; as well a special thank you to the Doctors, Nurses and Staff of Ochsner University Hospital & Clinics in Lafayette for all of the excellent care and medical treatment they provided Kelly throughout her illness.

“ *I went to high school with Kelly she was so kind and a funny person we laughed alot, she spent many nights at my house we talked all night and laughed. After the birth of my first son Kelly would come over everyday for months and help me with the baby. Kelly was so good with him she could get him to stop crying when I could not, she would hold and rock him so I could take a nap or go to the grocery store she was truly a life saver during those days. We spent hours everyday talking and laughing. Kelly was a such a good person she will always hold a special place in my heart.*
