“ *My cousin, Jerry, has completed his journey to the gates of Heaven. He has worked hard in his lifetime to make that journey and for his place in heaven.*

I ask that you open the gates and extend a personal invitation for him to join all of his family. This would be a big favor to me.

My future camping trips will never be the same. The laughter and good times will be missing. Thank you for all of the memories you are leaving with me. They will never be forgotten. I know that my campsite will be changed forever because my best neighbors will be missing. That's when I dust off all those memories. Now we know why we made those memories.

Rest in peace my cousin.
