“ Still think of you when we go by the old Mosier's in Redgranite, WI, and every 4th of July you made it to The Farm. Were surprised and charmed when you and Clayton came to visit us in Arkansas. Nothing surprised me more than meeting a man at the Cedarburg WI antique show, who said he sat next to you in church in Lafayette! You were obviously meant to be in my life and I'm forever grateful. Rest in peace.

“ Ms Joyce. I truly loved getting to know you and being part of your journey. We just clicked when we met and I truly loved you. Always looked forward to seeing you and sharing our stories. So sad but happy for you to finally be with Mr Clayton after all the time apart. You are missed each day. May you rest in peace.
