“ Oh Mah!!! I'm ever so glad you asked to speak to me when you were talking to Aye'Den not quite 2 weeks ago. I will never forget that one sentence, those six words "Brandi, I'm so proud of you!". I hope you know how much that meant to me! To hear those words coming from you!! It has been many years since we physically saw one another, but you played a big part in my life! You taught me how to be a woman! Thank you for that and for loving my son the way you did!! Rest now Judy! It is much needed and much deserved!!!! My son will be fine before long. This isn't easy on him, but he will survive and now I've made him understand that you can always be with him at any time! Love you so much!!!
