“ *Cousins Barbara and Loretta, I am so sorry to hear about your sister, cousin Judy. I heard about her through cousin Chris, who called my Mom, Aunt Clara. I didn't know about the health struggles she was having. I am sorry I can't be there in person, as I live in Alaska. I will be praying for you and your families.*

“ Trish, Laine and Sarah - We are so very sorry to learn of your mom's passing. What a beautiful gift she gave the world by being the vessel God used to give you life. Although the world will be a bit darker without her among us, she lives on through your family and your siblings. But most importantly, she lives on with Christ as a believer who never comprised the Truth that God has imparted on all children. You are blessed that she passed that legacy onto you. How difficult it is for a woman to lose a mother - the first one who loved her, the first to hold her. Grief is a lifelong process. You have all this love for someone with no place to give it. So use that stored up love to inspire others to search, seek and find Christ. Somehow, I believe that may be a tender way to continue your love for her. Praying you find comfort in knowing Who you belong to. Allow your hearts to rest in God's presence where His peace will sustain you. Uncle Carl & Aunt Sylvia Conques
