

## Justin Christopher White

April 11, 2006 - November 30, 2025

Lafayette -

It is with great sorrow and broken hearts that we announce the passing of our beloved Justin Christopher White and his return home to our Lord on Sunday, November 30, 2025 in Lafayette.

Justin was born and raised in Lafayette, Louisiana before moving to Antioch, Illinois in 2019. After graduating from Antioch Community High School in 2024, he returned to Lafayette to be nearer to his extended family and loving grandparents.

Justin will leave behind a legacy of kindness, curiosity, and a spirit that touched everyone who knew him. Born with a bright smile, beautiful blue eyes, and caring soul, he brought joy into the lives of his family, friends, and all who crossed his path.

Approaching life with *laissez faire*, he was a young man with big dreams and a bright future. Those who loved him will remember his creativity, his passion for Legos, his love of movies, music, and Kraft macaroni and cheese.

Though his time here was far too short, Justin's impact will live on in the hearts of the people he loved and the memories they now carry. He will be

deeply missed and forever cherished.

Justin is survived by his parents, Neal and Leah Fallis Prather, and Adam J. White; his brothers, Austin White and Nealan Prather; his grandparents, Claud and Donna Lagneaux Fallis, Vicky White, Marsha Keith, and Neal & Linda Prather; his cousin, Ethan Fallis; his uncles, Robert Fallis, Jason White, and Jon White; his aunts, Laura Fallis and Candace White; as well as numerous great uncles, aunts, and cousins.

He was preceded in death by his grandfather, Wayne White.

Arrangements have been entrusted to Cypress Funeral Home & Crematory, 206 W. Lafayette St., Maurice, LA 70555.

“ I never knew about Legos until I met you, Justin. You were my first Legos teacher. Your sharp mind soared when constructing those structures. You were slow and patient while showing a grandparent how to interpret the directions, and you were always able to back out of an error and fix any mistake! I loved to watch your focus, attention and intelligence in action. Your blue eyes, beautiful curls, warm smile, gentle nature and creative intelligence will remain with me forever. Thank you for being in my life.
