“ Karen was Ethan's god mother. She was a good friend. So, sad that we had to hear about this.

“ Karen had the most amazing, loving heart. She was my best friend for the past 8 yrs. She was taken from her friends too soon, but I'm thankful we had those few years to together watching movies, rescuing animals, sightseeing, and talking about anything and everything from the lighthearted & silly to the deep & serious. She made strangers feel like family and cared about those suffering in her community. Our lives were better for knowing Karen and will be a little dimmer without her.

Rest In Peace my sweet, loving, humble, empathic, funny, creative, quirky, quixotic friend, Karen “Nerak” “Kiki” Sofan.
