Kayre graduated from Port Barre High, and McNeese University where she earned a teaching degree. After graduation, she taught at Port Barre Elementary until her retirement in 1997. Kayre married John E. Jones of Lafayette in 1995 at a ceremony at Acadian Village. She moved from Port Barre that same year to live with her husband in Lafayette where they opened and ran a local Bookstore for a brief time. Among Kayre's hobbies, she loved to read, crossword puzzles arts and crafts. And LSU/Saints/Denver Broncos Football! She loved outdoors. She enjoyed going to Deanos with friends and family. Especially during lent for the Jaques Boudreaux!! Although she did not have any kids she had nieces and nephews she was proud of. And her little Dachshund, Tasso was her pride and joy! In 2013, Kayre and John moved to

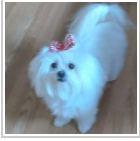

Lake Charles. This was to be near her aging father and to take care of him when his health finally declined. 5 years after his passing, they moved back to Lafayette to reestablish ties with friends and family here. She was a big fan of all animals, especially Mike the Tiger!!! At the time of her death, she had 4 beloved dogs in their home.

Her husband, John, would like to thank the staff at Ochsner's ICU for making the extra effort to keep us informed of Kayre's condition and the help of all the other staff too numerous to mention for making Kayre's last day with us comfortable, and a joyous occasion for her because she was able to visit with her friends and family before her passing.

In lieu of flowers the family request that donations be made in honor of Kayre F. Jones to the Pacific Garden Mission, [www.pgm.org](http://www.pgm.org)

“ I am so sorry. She was my niece. She and her husband helped us when we moved to Water Valley, Mississippi. We kept wanting them to come to visit but they never did. The only contact we had in the last few years was on Facebook. I wanted her to call but she didn't.

“ John,  
I knew as much as anyone she was the love of your life.  
Sorry for your loss.  
The immediate pain and suffering from the loss of loved one is replaced over time by the joy of the good times and happy memories you both shared.  
In the end, these are the only things that really matter.
