

## Keyman M. Simon

October 6, 1952 - November 29, 2025

Kaplan -

A memorial service will be held on Sunday, January 11, 2026 from 10:00 AM until 2:00 PM at 209 S Movant St. in Kaplan for Keyman M. Simon, age 73, who passed away on Saturday, November 29, 2025 in Abbeville.

Keyman was born on October 6, 1952 in Morse and he was a longtime resident of Kaplan. He was a man with a big heart, quick hands, and an even quicker sense of humor. He had a true passion for rebuilding cars: pouring time, patience, and skill into each project, only to sell them and move onto the next project. He was also a talented cook who loved sharing good meals with the people he cared about. Above all, Keyman was devoted to his partner, Jessica, always putting her first and showing his love through his actions every day. Known for being ready with a joke to lighten any moment, he brought laughter, warmth, and loyalty wherever he went. His presence will be deeply missed by all who knew and loved him.

Keyman is survived by his beloved partner of 20 years, Jessica M. Guidry; his son, Dayman Simon and family; a few grandchildren; his siblings, Sterling Simon (Ginger) of Gueydan and family and Milinda Simon and family; as well as his stepchildren, Arizona Pearson and family, John W. Guidry, Lanie Henry and family, Brandy Henry and family, and Angel "TLee" Taylor and family.

He was preceded in death by his brother, Tillman Simon, as well as his parents, Chester Simon and Evelyn Weekly.

The family wishes to extend a special thank you to Lanie Henry and Baylor – he loved them so much; to Joey Simon and Billy Touchet for being a good friend; his brother Sterling, whom he shared many good nightly talks with; and to Patricia Vincent for taking care of the family baby, Pumpkin.

Arrangements have been entrusted to Cypress Funeral Home & Crematory, 206 W. Lafayette St., Maurice, LA 70555.
