“ *I understand as I grow older, I’m going to lose friends and family that mean a lot to me. However, Renee was both, friend and family, and was a total shock.*

We met through the Lost Cajuns group in 2004. She immediately bonded with Trish, me, my family and my friends. She often referred to me as her sister when we were out and about. Through Renee I understood the true Cajun family. I was able to spend a week with her dad, Julius down in Crowley. That was so awesome! We had crawfish at Shane’s. Chris, so many memories even in hard times, still were special. Cozette, Klaire, Britany, so many awesome relationships that feel like family. She went to my son Justin’s college graduation in Columbus Ohio. What friends do that unless they are a true friend... family. We traveled together often. Panama City, New Orleans, Columbus, Green Bay, and that is only what comes to mind at this moment. She brought more joy into my life than she will ever know. A golden heart all the way!

God knows, so many memories. This loss was hard to grasp.

Renee, please give us a good reference to God so when we finally move on from this earth, he will have us all together up there. You are such a special friend!
