“ *Kristi was a such beautiful soul who loved life and loved everyone around her. She laughed really hard and had a tremendous zest for fun. She was smart, determined and eager to please all who were around her. She will be missed tremendously, we are incredibly sad that her light has stopped shining.*

*Rest In Peace sweet Kristi, your work here is done. We know that you are already dancing in the clouds with Sheryl and excited to explore all that heaven is offering you. We will love you always.
