“ When I think of Jerome, I think of how special he was, and how much he was loved by everyone. I remember when he came to California, and enrolled in school, and how those girls loved him. That’s how he got his nick name, ROMEO. Although I haven’t seen my lil cousin in a very long time, he will always remain in my heart. May God welcome Romeo into paradise, where one day, we hope to see each other again.
