“ *Prayers and hugs to you Adeline during this time. Tom and I have always enjoyed our friendship with you and Larry. Both of you welcomed us into the Farm Bureau family when Tom became a board member and I was on the women's committee many years ago. Larry was such a warm and friendly gentleman and a lover of his farm work and country lifestyle. Blessings to you and your family as you begin a new phase of your life but we know it will be filled with many wonderful memories that your sweet husband brought to all of you during your time together. *Adeline,
Denise and I are saddened by the passing of Larry, but we know he is now truly at peace.*

Larry always gave me words of encouragement to push myself and become the person I am today. As I am now serving on the FB state board, once held by Larry , great words of kindness and leadership were mentioned by Mike Melancon, Richard Fontenot, and Scott Wiggers. It was a great moment of remembrance of all that you and Larry did for Farm Bureau.

Denise and I and all of the farm bureau family absolutely love you and Larry. Thank you for sharing y'all's love and friendship.

May God's love and our love comfort you in your family's time of sorrow.
