I live in the Houston area and found out a bit late. My good friend and neighbor for many years Steve Lege let me know of Lester's passing. Many fond memories of walking to the meat market on the next block and picking up meat for Mama to cook. My condolences to the family, may God's Holy Spirit comfort y'all as life moves on.

“ *I worked with Lester for 5 1/2 years at the Abbeville Post Office, from 2007 to 2012. Lester was a good friend and always in a positive way to all people. I am going to miss those calls from him, saying "Hey, you got a minute?" He would always call if he had a question regarding the job or life in general. It was good to know that he respected my views on all subjects, and that I could help him when needed. I fortunately got to see him about 2 weeks before he passed and I am glad that got to happen so that he would know how much he was appreciated. May you Rest in Peace Lester as your pain and suffering has been erased by the Lord. We will see you in the future up there, when we go to be with the Lord and Savior. Prayers go out to the family from us and we hope your pain resides very soon. Lester will always be remembered by all who knew him.*
