“ Those of us that had the good fortune to know Mrs Lil are more than blessed. She treated all of us miscreants and misfits as if we were her own. Kids gravitated to her. I was lucky to bough to visit with her recently and she spoke and remembered being a surrogate granny and babysitter to my young chinchilla many moons ago. Donald and Lillian opened up their homes and hearts to all of us. She has a special place in all of us. Wishing all the family well. She will be missed.

“ Ms. Lil raised me and was like a second mother to me. She will forever hold a special place in my heart, as will the rest of her family. With her passing, I feel like I lost a piece of me. I know she is looking out for all of her loved ones from a better place.

“ Her mom my godmother was there for me when I needed a blood relative in my life. When she passed Lillian was there for me. She let me know all about my family. Very strong in her beliefs and feelings. Let me know it was ok to be the same. I love and will miss her. So grateful that I could be with her at the end. Love you Lillian.
